

WARRANTY INFORMATION

Ektor is a registered brand of Evolt Pty. Ltd. Ektor's products are guaranteed against defects in workmanship and materials for twelve (12) months from the date of delivery, provided that the products are properly stored, installed, used and maintained in accordance to the instructions contained within the installation manual.

Products that have been altered without the written approval of Ektor are not covered by this warranty. This warranty also does not apply to consumables such as lamps. Ektor will not be liable for any losses, damages, costs or expenses including consequential loss and for any damage to articles to which the Ektor products are attached or with which they are used. The purchaser's contractual obligations to others are specifically excluded from this warranty (whether implied or not) unless previously agreed in writing by the director of Evolt Pty. Ltd. Ektor's total liability under this warranty is solely limited to the cost of repair or replacement of the faulty product (at our premises and at our discretion) and for the cost of returning the product to the purchaser. Proof of purchase must be provided with any warranty claim.

Ektor recommends that the purchaser attaches their proof of purchase to this manual. Before making any warranty claim, Ektor suggest that the purchaser call their Head Office to discuss.
